TUFAIL AHMAD

FROM THE DESK OF TUFAIL AHMAD

Dear Neighbor:

Our community, as well as our country, stands at a crossroad. We face many challenges within our county and we must move forward together to improve the quality of life for our residents.

As a Democratic Party volunteer and contributor, I have tried to make a difference. As your Democratic candidate for County Council At-Large, I can work with you and our neighbors to tackle critical issues such as traffic delays, insufficient classrooms for our children, and affordable housing.

After migrating to Montgomery County almost 33 years ago, I have been blessed with a lot. Aside from raising my family, I've built a successful business and I've met a payroll. My experience as an auditor gives me a unique qualification to help stretch our tax dollars by eliminating unnecessary waste and increasing services.

I have been a strong proponent of public education. My children have benefited from that educational foundation and all have advanced degrees from American, Georgetown, George Washington, and Harvard universities.

It is my turn to give back to the community which has been so good to me. I'm prepared to serve the citizens of Montgomery County as an advocate for stronger educational opportunities and more efficient government that puts a greater emphasis on serving the public.

I am honored to have the support of many of our County's top Democrats, and my family and I hope to have your vote and support on September 12, 2006.

Many thanks,

A handwritten signature in blue ink that reads "Tufail Ahmad".
